

(Delayed) Oxford Road Station
Brandon Bennett

Rough thirst, running clouds
wait for a train – south –
wait holding hands

Rude looks, tighter holds
wait, withhold thinking, wait
against the northern gale

Rough thirst, train delayed
wait without thinking, wait
for the train – going south –

Rude looks, litter sprinting (skitters)
wait, unphased, wait for the train
wait as the old tracks wait, cold, always waiting
