

A Modern Love Story

@Fannyfabulous -

Will you be a fan-a-me?

(Sorry – sounded so much better in my head...)

I have 1289 followers on Twitter. I can improve UR algorithms OFC.

I will like all UR photos on Insta.

(I have 401 followers on there).

I'll make TikTok videos dedicated 2 you. People will be like OMG LMAO but

I won't care.

You know, I read poems on *YouTube* too. Why don't you subscribe?

(SPOILER: some of them are about U).

Let's link our socials, Fanny. Let's put 'in a relationship' on *Facebook*.

(Does anyone still
use it?)

Let's tag each other in photos and comments.

Let's get synced online. People will totally ship us but IRL.

Fanny, dear Fanny, are you signed up 2 *Tinder*?

We can delete our profiles together.

Let's swipe right

in person.

Pls @ me soon. My DMs are always open for U.
