

**My boss...**

informs me,

his anniversary gift from his current wife is:

*a vegetable tanned, 100% shell cordovan,*

*pedigree English calf-skin lined,*

*multi-compartment one of a kind*

*with personalised titanium buckle,*

*and more hand stitches than*

*the Bayeux Tapestry,*

Or,

when complimented

by the new female intern:

*What, that old thing?*
