

## Word ladder

Down

town and

torn but

turn,

burn. Re

born. Now

rise,

ride the

tide.

Time? Its

mine to

mind.

~~Go down the~~

~~word ladder,~~

~~squared and~~

~~ensnared.~~

Fall

fall and

wail. But

sail, find

soil. A new

soul now.

Rise, you're

ripe, its a

rite. A free

kite, day &

nite- End,  
on a good

note.
